

**ART MD
SMOKE OUT EXHIBIT**

ART MD is an NGO with the mission of creating health promotion campaigns through art. Bridging the gap between art and science, Art MD looks for innovative ways to address important health issues.

Art MD is organizing its first annual art exhibit with the goal of raising awareness about the negative impacts of tobacco.

This will be a juried art exhibit competition that will take place at Bailey Hall, Broward College, from July 16th until Sept. 9th, 2016.

The only restriction is that all art pieces should focus on a tobacco cessation message. All materials and techniques are welcome, there is no limit in the number of art pieces, and there are no restrictions on nationality or place of residence.

Jurors: Hernan Miranda, Artist, Anabella Mendoza, Art specialist and curator, and Anabel Peicher, Artist

AWARD WILL BE GIVEN TO THE FOLLOWING CATEGORIES

1-**Recycled Art** made of cigarette butts which have been collected from beach clean up projects and will be available to the artists for pick up upon request.
